GLOBAL WARMING NATIONAL POLL

January 7-22, 2015
1,006 adults nationwide
738 Non-Hispanic Whites
103 Hispanics

The margin of sampling error for all adults and non-Hispanic Whites is plus or minus four percentage point. It is plus or minus 12 percentage points for Hispanics.

Q17B. [Assuming it's happening¹] If nothing is done to reduce global warming in the future, how much do you think it will hurt you personally—a great deal, a lot, a moderate amount, a little or not at all?

Q17B	Among Non-Hispanic Whites	Among Hispanics
A great deal	17%	19%
A lot	12	21
A moderate amount	21	27
A little	17	17
Not at all	32	17
Don't know/Refused	1	*
Total	100%	100%
N	738	103

Q19A. How important is the issue of global warming to you personally – extremely important, very important, somewhat important, not too important, or not at all important?

Q19A	Among Non-Hispanic Whites	Among Hispanics
Extremely important	11%	10%
Very important	26	44
Somewhat important	26	25
Not too important	17	12
Not at all important	19	8
Don't know/Refused	*	*
Total	100%	100%
N	738	103

¹ This phrase was read to respondents who previously said they thought that the earth probably has not been warming during the last 100 years.

Q25². How much do you think the U.S. government should do about global warming - a great deal, a lot, a moderate amount, a little, or nothing?

Q25A. How much do you think the U.S. government should do about global warming - a great deal, quite a bit, some, a little, or nothing?

Q25/Q25A	Among Non-Hispanic Whites	Among Hispanics
A great deal	30%	37%
A lot/Quite a bit	19	26
A moderate amount/Some	21	15
A little	12	17
Nothing	17	5
Don't know/Refused	1	
Total	100%	100%
N	738	103

Q81. Do you think the United States government should or should not give money to poor countries to help them reduce the damage that global warming might cause?

Q81	Among Non-Hispanic Whites	Among Hispanics
Should give money	32%	65%
Should not give money	66	31
Don't know/Refused	1	4
Total	100%	100%
N	738	103

² A randomly selected half of the sample was asked Q25 and the other half asked Q25A.

Q92A³. Do you think the federal government should or should not require companies to pay a tax to the government for every ton of greenhouse gases that will be put out by coal, natural gas, and oil the companies bring into the U.S. from other countries?

Q92XA. Do you think the federal government should or should not require companies to pay a tax to the government for every ton of greenhouse gases that will be put out by coal, natural gas, and oil the companies bring into the U.S. from other countries? All this tax money would be given to all Americans equally by reducing the amount of income taxes they pay.

Q92A/Q92XA	Among Non-Hispanic Whites	Among Hispanics
Should require	63%	80%
Should not require	34	20
Don't know/Refused	2	
Total	100%	100%
N	738	103

³ A randomly selected half of the sample was asked Q92A and the other half asked Q92XA.
